21+	Please contact us directly for a detailed discounted quote on websites of 21 pages or more.			

* Website Page is defined as less than two (2) printed pages, if printed on a standard 8 ½ by 11 inch piece of paper. If any website page, when printed exceeds two (2) pages in either length or width, then it will count as the number of printed pages divided by two and then rounded up to a whole number. For example, if the number of printed pages is seven (7), then the website page count is four (4) pages.

** Pricing Per Year includes standard maintenance of one change per page, per month. See our website – www.yorkdrive.com - for details.

*** For websites of three (3) pages or greater, you can choose an annual maintenance contract of \$250.00 per year to cover changes needed to your website. **Special offer:** For websites of 11 pages or more, the second year of maintenance is free. The Annual Maintenance Agreement is optional. See our website – www.yorkdrive.com - for complete details.
